

**2024 ADMISSIONS PROCEDURES – SHEFFIELD SCHOOL**  
**- 2 Weeks Course (International Students) –**  
**Total Course Cost (including I-20, excluding discounts) = \$4,400.00 USD**

Dear Prospective Student:

Once you receive our package of information, you will notice that an **Application** may be included. If it is missing or lost, you can also print the 2-week course application from our web site.

1. **Complete and submit the Accelerated Course “Prior Experience Form”** at <http://www.sheffield.com/prior-aviation-experience-training-background-form>. Once the pre-qualification email is received from Sheffield School, proceed to the next step. (Do not worry if you lack experience – other prerequisites more than make up for a limited aviation background.)

2. **Send us the correct, completed application** with the \$2,000 Phase I tuition fee, and the \$300 (I-20) processing fee, if applicable, in order to begin the enrollment process.

**We will send you, via express mail, all necessary paperwork required to apply for your visa, arrival instructions, as well as an Enrollment Agreement, etc.,** which must be completed, signed and returned to us with the necessary deposits. The amount depends on whether or not you enroll in additional courses etc.. – the list of deposit fees are in our material, on the Enrollment Agreement, and on the web site. (see <http://www.sheffield.com/courses>).

Please print clearly and complete all fields correctly on the Application. The name must exactly match the name in your current passport. Please specify your birth date by writing out the month, i.e. July 2, 1980. Your address must be your current address, since that is used for your Visa and your mailing address for FAA paperwork and certification. International students should send their application at least 3-4 months prior to residency class start date.

(Again, this is not absolutely mandatory, but allows us to get a complete picture of our applicants.)

3. After we receive your application with the required fees and your documentation we will upload your User ID and Password online in order to access the Distance Learning Courses (Phase I). **We will send you a confirmation email.**
